HOSPITAL OF ST. CROSS, RUGBY.

REPORT FOR THE YEAR 1928.

The Board of Management is pleased to report that there has been an improvement in the finances of the Hospital, and an increase in the health service given by the Hospital during the year 1928.

SERVICE.

The year has been remarkable for the progress that has been made in the Hospital. The number of beds has been increased from 100 to 110, and the average daily number occupied has been increased from 95 to 96.8.

Four of these beds are for paying patients. The paying beds are chiefly for those who subscribe not less than a guinea a year to the Hospital and whose incomes are between £300 and £700 per annum. The Hospital receives a maintenance charge from these paying patients that barely covers the costs. A reduced scale of charges has been arranged with the honorary medical staff for surgical and medical attendance. This, in itself, is a step forward, and is in keeping with the need of the times. There is no doubt that we must make provision for an increased demand for facilities for the treatment of paying patients.

The number of in-patients who have been treated at the Hospital increased from 918 in 1927 to 1,143 in 1928. The average length of stay in Hospital for each general patient has been reduced to 25 days, and now compares favourably with other Hospitals throughout the country.

Greater use has been made of the Convalescent Fund, and it is of interest to report that 37 convalescent cases were sent away during 1928 for periods of three weeks' convalescence. This after-care service is one that benefits the Hospital in reducing the number of days' stay of each patient, and benefits the patient by giving him a better chance to recuperate and fit him to return to his daily task.

The number of out-patients treated at the Hospital was 4,068. Though there is an increase of 500 over the previous year, this is still less than the number treated in the year 1926, which records 4,176.

At a Special Meeting of Trustees and Governors of the Hospital, a recommendation from the Contributors to the "Id. in the £" Scheme and the Board of Management that Tickets of Recommendation should be discontinued, was passed.

Bona-fide necessitous and deserving poor will, in future, be admitted to the Hospital without producing Tickets of Recom-

mendation, and will not be asked to contribute towards their maintenance. All other patients must produce a Contributor's Letter of Introduction or pay for their maintenance.

INCOME.

The total income of the Hospital for the year was £18,784 as compared with £15,811 in the year 1927, and £12,141 in the year 1926, the increase for 1928 being £2,937 over the previous year and £6,643 over 1926.

In considering the income side of the "Statement of Accounts," given on another page, it may be of interest to note some of the principal sources of the increase.

The first and most important is the continued success of the "1d. in the £" Scheme, showing, as it does, an increase of £1,079 from the contributing employees and £256 from the employers. This splendid result has only been secured by the wholehearted support given to the Hospital by contributors, employers of labour and voluntary workers alike.

There were some new sources of income last year, one of which was the September Carnival, with a nett profit of £570, and the Whitsuntide effort at Newbold Revel, producing a nett profit of £305. The latter effort was carried through by the B.T.H. Committee, and if added to the record amount of £1,145 under the heading of B.T.H. Hospital Fete and Sports, makes a very fine total for the year to the credit of the Committee. The special thanks of the Board of Management, and of the Governors are due to the Workpeople's Hospital Committee of the B.T.H. Company for all that they have done, and to the Directors of the Company for their annual donation of £500.

The next important source of increase in the income is to be found under the heading "Other Receipts." It has been the policy of the Board during the past year to secure more adequate payment for the work done by the Hospital for the various departments of the Ministry of Health, and the result is to be found in the increase under the various headings, amounting to over £750. This does not indicate an increase in the work done by the Hospital so much as better office organisation and better terms of payment for cases sent by the County Authorities. Amounts have been received from both Northamptonshire County Council and Leicestershire County Council for the first time, in payment for patients admitted from villages situated in these counties.

It is gratifying to note the success of special efforts organised for the Hospital, and that increases are recorded under various items, notably the Alexandra Rose Day collection, the collecting boxes, and the collection of eggs during Hospital Egg Week.

There has been a decrease of about £500 in the amounts recorded under the heading of Annual Subscriptions and Donations. This is due to the fact that an appeal was made by the Board at Christmas, 1926, which resulted in a considerable amount being received during the year 1927. Several subscribers increased their subscriptions for that year only, and special donations amounted to £608. These amounts, as was expected, have not been renewed in the year under review.

A decrease of nearly £300 from the Trustees is due to the fact that the Trustees used part of the income for the payment of the work on dry rot at Brookfield.

EXPENDITURE.

On the expenditure side of the account the following increases are to be noted. The increase in the total ordinary cost of maintenance over 1927 only amounts to £506. The figures for the total cost of maintenance for 1926 are £12,596; 1927, £12,844 1928, £13,351.

The average cost of the treatment of each patient during the period is as follows:—1926, £15 17s. 5d.; 1927, £13 2s. 0d.; 1928, £11 11s. 3d.

Under the heading Extraordinary Expenditure, an increase of over £2,000 is recorded. This is due to the fact that the nett amounts received from certain special efforts during the year were ear-marked for the Orthopædic Extension Fund, and the Board of Management also agreed that the amount received from the annual B.T.H. Fete and Sports should be paid into the Extension Fund for the building of the new X-Ray room.

It will be remembered that when Mrs. Arthur James generously offered to present the new Out-Patients Department, the Board made itself responsible for certain alterations that became necessary to the existing buildings in order to make the best use of the new department. Since then it has been decided to add the X-Ray room, and it is gratifying to feel that the Extension Fund already contains a sum estimated to be sufficient to cover all the Board's liabilities in this connection.

Under the heading of Finance an increase of some £400 will be noted. This is due to the fact that all expenditure incurred in special efforts, such as the September Carnival, Rose Day, Christmas Schemes, etc., etc., is financed out of the Hospital Funds, and shown under this heading.

It will, therefore, be seen that the increase in maintaining the Hospital is negligible, and is not as much as was anticipated a year ago.

Early in the year the Board of Management asked the Buildings Committee to submit a scheme of work for renewals of fittings in the older part of the Hospital. As a result nearly £400 has been spent in renewing sanitary fittings and sluices in the sanitary annexes of the wards in the older part of the Hospital, and also putting in new soil pipes to replace those that were put in when the building was built. It will be the policy of the Board to continue this scheme of renewals of fittings, and it is anticipated that some £500 will be spent in this way during 1929. These amounts are in addition to the ordinary expenses incurred in the upkeep and repairs of the Hospital.

The gratifying fact still remains that it has been possible again this year to show a surplus of total income over total expenditure of £865. The Board of Management recommends that this amount should be used to reduce the Bank overdraft, which will have been reduced from £6,376 two years ago to £4,520 on December 31st, 1928. The Bank overdraft is still very large, but with the continued support of the subscribers and the general public of the district, the Board hopes to further reduce this debt in 1929.

EXTENSIONS.

The year will be memorable in the history of the Hospital for the fact that the Arthur James' out-patient building was commenced, and the Foundation Stone successfully laid by Mrs. Arthur James on September 6th, 1928. The Board is indeed grateful to Mrs. James for her most generous gift of this new building, which will include two small casualty wards, a magnificent waiting room, a reception room for accidents, surgery, dispensary, consulting room, and will be fitted with the most up-to-date equipment. Not only have we to thank Mrs. James for providing this department, but our thanks must be offered to her for paying all the fees in connection with the previous extension scheme that was abandoned some three years ago.

It is a privilege and a pleasure to record another splendid gift from the British Thomson-Houston Co. Ltd., The B.T.H. Workpeople's Fund and the B.T.H. Employees' Friendly Society. The Board has accepted from these Committees the joint gift of a complete X-Ray apparatus, and has agreed to use the proceeds of the 1928 B.T.H. Fete and Sports, for constructing a building to hold the apparatus, thus making the complete X-Ray Department the gift of the B.T.H. Co. Ltd. and its employees,

Another important step forward was taken during the year when the Board authorised the builders to proceed with the completion of a new Orthopædic Department at a cost of approximately £2,000. The success of the Rugby Frothblowers' in

raising £500 to provide the waiting room for this department, and the success of the special children's fund opened by Lady Braye and Lady Feilding, in raising over £500 for the Plaster Room, enabled the Board to make this decision. The department will be extensive, and will meet all the requirements of the Orthopædic Department for years to come. It will replace the Army Hut now in use as an Orthopædic Department, and will be an asset in every way. Arrangements have been made to allow the Committee of the Clinic now held at Hillmorton Road to have the use of the new department one day every week.

The Rubber Growers' Association has made a gift to the Hospital of the whole of the crude rubber required for the manufacture of the rubber flooring, and, in addition, has made a donation of £50 in cash. This is largely due to the good offices of Colonel Biddulph. It is anticipated that the Board of Management will require to raise at least £1,000 in 1929 for the completion of the Orthopædic Department, but with the continued goodwill and support of the townspeople and the people in the district, this ought not to be a difficult task.

COMMITTEES AND HELPERS.

The lists of amounts received from entertainments and collections which were organised for the Hospital during the year will be found on other pages of the report. The Board is grateful to all those who assisted in organising these efforts and congratulates them on the increasing successes recorded.

The Sportsmen's Bed Committee is one of many bodies of voluntary workers who work loyally for the benefit of the Hospital. Their contribution of £142 towards the maintenance of a bed is greatly appreciated, and they are to be congratulated on the steady increase in their endowment fund, which now stands at £168.

It is a pleasure to have the report of the first year's work of the Reconstituted Hospital Saturday Committee. Congratulations are offered for the success of the work, and the Board trusts that the Committee will look forward to an increasingly important place in the activities of the Hospital.

A Committee that has been affected more than most Committees by the extensive operation of the "rd. in the £" Scheme is the Linen League Committee. In the face of difficulties this Committee has steadily persevered in its good work for the Hospital. Under the leadership of Mrs. Miller, as President, and with the assistance of the Misses Dean as honorary secretaries, it

is hoped that the fund will more than hold its own. The importance of the work undertaken by the Linen League will be readily understood by referring to the "Statement of Accounts" given on another page.

The Board of Management offers its grateful thanks to all those who have helped the Hospital during the past year either by donations of money, or by voluntary services. It would be impossible to mention individually the names of all the helpers, so great is the number. Special thanks are due to the following :—

The Members of the Honorary Medical Staff.

The Honorary Officers.

The Matron and Staff, for loyal and devoted service.

All Subscribers and Donors.

All who gave Gifts in kind.

All Churches and Chapels sending gifts of money, fruit, flowers and vegetables.

All Voluntary Collectors and Organisers.

The Members of Bands, Orchestras, and Concert Parties, who have entertained the patients at the Hospital or taken part in Fêtes.

The Members of Toc H for their continued assistance both in the Office on special appeal work, and various other ways.

The Board wishes to record its grateful thanks for Legacies received by the Hospital during the year :—

Mr. Walter Eales, deceased, £50.

Mrs. Phillips, deceased, £94 5s. 4d.

These amounts were paid into the General Accounts.

The following members, having completed the period for which they were elected, are due to retire from the Board, but are eligible for re-election :—

Mrs. van den Arend.

Mr. C. P. Evers.

Mr. F. Fraser.

Colonel W. H. Biddulph.

Mrs. R. G. Hosking.

Mr. P. E. Warden.

Signed on behalf of the Board,

FEILDING,

13th February, 1929.

Chairman.

LADIES' COMMITTEE.

Supernumerary Visitors, who used to take the place of the Regular Visitors when any were unable to attend, have been abolished.

The Committee has carried on its duties as Visitors, and the number of visits during the year has been about 550. Mrs. Dalby has resigned, and Mrs. Lee-Warner and Miss Scott resigned as from the end of the year. All these ladies have done useful work and they will be missed.

Mrs. Wharton, Mrs. Samuelson, and Mrs. Boothroyd have been appointed on the Committee.

The Voluntary Collectors have been quietly adding to the membership of the *rd.* in the *£* scheme, but they realize there is yet more work to be done in this direction.

This year the Committee again assisted in arranging Rose Day and the Egg Collection—they also undertook and organized the teas and refreshments at the B.T.H. Carnival, and a Sub-Committee arranged the teas on the occasion of the laying of the Foundation Stone of the new Out-Patient Department.

Mrs. Brooke Michell has continued to control the Hospital Library and catalogue the books and arrange for distribution.

The Chairman for the past year has been Mrs. Bradby, and the Secretary Mrs. Fuller.

THE X-RAY DEPARTMENT.

This Department is open every week-day at 10 o'clock for the Radiography of patients sent in from the neighbourhood with a Doctor's Certificate or a Letter of Introduction.

It is advisable to send word beforehand about patients for whom special examinations by screening and opaque meals are desired, or for whom a preliminary preparation is necessary. In case of accidents it is also advisable to take care that a notification is sent to the Radiographer, so that preparations may be made to receive the patient with as little delay as possible.

During the year 921 patients were dealt with in this Department, and the total number of attendances was 1,296, compared with 761 patients in 1927 and 1,144 attendances.

No doubt the numbers will be still greater in succeeding years when the new installation recently presented to the Hospital by the B.T.H. Co., Ltd., will be erected in the New Out-Patient Department.

(Signed) A. I. SIMEY,

Hon. Medical Officer X-Ray & Skin Dept.

HOSPITAL OF ST. CROSS LINEN LEAGUE.

I was so very pleased to find on my return from abroad, how excellently the members of the Linen League had carried on their work and interest in the League—which (owing to so many other organizations having been started for the Hospital of St. Cross) shows what keen interest the members must have taken to ensure that the gifts and subscriptions were kept up to the usual standard.

I should like to thank Miss Dean and all the members who have given so much time, and done so much work, very sincerely indeed for their most valuable help. I very much regret I have to report that Miss Black is leaving Bilton, so therefore cannot help us any longer. I need hardly say how much we shall miss her very real help. We have appreciated so very much all she has done for the League.

May I once again urge all the members to make another very great effort to make the League a real success for 1929.

IRENE HELEN MILLER,

Spring Hill, Rugby.

President.

The Linen League was started in 1920 to help to replenish the the store of sheets, pillow-cases, towels, and all things necessary for the patients' use while in Hospital. The effort for the first year was just about £86, but through the kindness of subscribers and friends it has grown year by year. The following Rules might be helpful to anyone wishing to join, as the promoters are most anxious to fill up any gaps that may occur.

The Secretary will be most willing to give any information to any lady or gentleman wishing to help in any way.

RULES.

1.—The Linen League consists of a President, Vice-Presidents, and Associates, Hon. Vice-Presidents, Hon. Associates, Hon. Members, and Working Members.

2.—Vice-Presidents subscribe 5s. and provide two articles of linen annually, and have at least Six Associates.

3.—Associates subscribe 2s. 6d. and provide two articles of linen annually.

4.—Hon. Vice-Presidents subscribe £1 1s. per annum, Hon. Associates 10s., Hon. Members 5s. These subscriptions to be paid direct to the Hon. Secretary, Miss Dean, 14 High Street, Rugby.

5.—Gentlemen may become Hon. Vice-Presidents, Hon. Associates, or Hon. Members.

6.—Those who do not wish to give linen or garments may be Hon. Vice-Presidents, Hon. Associates, or Hon. Members.

7.—Associates must send in their subscriptions and articles of linen to their Vice-Presidents by April 30th in each year.

W. W. VAUGHAN,

Chairman of Trustees.

I have audited all the foregoing Statements and Accounts with the Vouchers and Books, and find the same correct.

Dated this 12th day of February, 1929.

W. G. ATKINSON, I.A., Auditor.

HOSPITAL OF ST. CROSS, RUGBY.

8th March, 1929.

DEAR SIR (or MADAM),

You are requested to be present at the FORTY-FIFTH ANNUAL GENERAL MEETING of the Trustees and Governors of the Hospital of St. Cross, which will be held at the BENN BUILDINGS, RUGBY, on THURSDAY, the 14TH MARCH, 1929, at 7.30 p.m.

The business of the Meeting will be :—

1. To read the Minutes of the last Annual General Meeting.
2. To read the Minutes of the Special Meeting of Trustees and Governors held on 13th December, 1928.
3. To adopt the Annual Report and Statement of Accounts.
4. To elect the President.
5. To elect two Non-official Trustees.
6. To elect the Honorary Treasurer and the Honorary Auditor.
7. To elect six Members on the Board of Management.
8. To elect a Life Governor and Governors for 1929.
9. To pass Amendments to the Rules of the Hospital as submitted by the Board of Management.
10. To consider Motions by Governors of the Hospital, in order of notice (to be received by the Secretary two clear days before the day of the Meeting).

Faithfully yours,

W. COCKBURN,

Superintendent and Secretary.

RULES AFFECTED BY THE ABOLITION OF TICKETS OF RECOMMENDATION.

17. The Hospital year shall be deemed to commence on the first day of January, and end on the 31st day of December. All annual subscriptions shall be considered to be due in advance on the 1st day of January in each year, when the Tickets of Recommendation shall be issued.

18. Each Annual Subscriber shall have the option of recommending either In-Patients or Out-Patients as follows:—

<i>Amount of Subscription.</i>	<i>Out-Patients in the course of the year.</i>
One guinea	3
Two guineas	6
Two and a half guineas	8 or 1 in-patient.

20. A Life Governor shall be entitled to three Out-Patient Tickets.

46. Tickets of Recommendation issued to Life Governors and Annual Subscribers shall be dated the 1st January in each year, and be valid for one year. In the case of special donations received from, or on behalf of groups of persons, tickets of recommendation shall bear the date of the payment of the donation, and be valid for one year from that date.

Maintenance payments made by patients or their relatives in respect of treatment received, shall not carry any privileges either of Governorship or of Recommendation.

47. Para. 2.

Every person applying to be admitted as an In-Patient (except in cases of accident or grave emergency) shall bring eight Out-Patient Tickets of Recommendation, duly signed by a Governor, or, in the case of a contributor to the "1d. in the £" Scheme, a Letter of Introduction duly signed.

The remainder is not affected.

48. Except in case of accidents or of patients in regard to whom the Hospital has made an arrangement with public authority or other Committee, Out-Patients shall bring a Certificate signed by a registered Medical Practitioner, together with a Ticket of Recommendation or Letter of Introduction, and shall attend on such days as the Board shall appoint.

THE FOLLOWING AMENDMENTS HAVE BEEN APPROVED BY THE BOARD OF MANAGEMENT.

17. Delete the following words:—

"When the Tickets of Recommendation shall be issued."

18. To read as follows:—

"Each Annual Subscriber of one guinea or upwards may recommend *bona-fide* necessitous persons either as In-Patients or Out-Patients."

20. To be deleted.

47. Para. 2 to be deleted.

46. To be deleted.

48. To read as follows:—

"Except in the case of accidents or of patients in regard to whom the Hospital has made an arrangement with a public authority or other Committee, Out-Patients shall bring a Certificate signed by a registered Medical Practitioner, and in the case of regular subscribers to the '1d. in the £' Scheme, a Letter of Introduction, and shall attend on such days as the Board shall appoint."

The Board of Management offers its grateful thanks to Mrs. Arthur James for the gift of a Christmas tree, the Directors of the Portland Cement Co. for a turkey, the Rugby Electrical Engineering Co. for arranging special lighting for the decorations, and all those who assisted in entertaining the patients or who kindly sent gifts of foodstuffs, books, and toys. The Board also thanks Mr. Davison for his kindness in doing a great deal of carting work for the Hospital free of charge.

THERE ARE ALWAYS TWENTY-SEVEN CHILDREN
occupying Beds at the Hospital of St. Cross at Christmas-time.

Gifts of Money or Toys will be gratefully received.

SPORTSMEN'S BED FUND (Hospital of St. Cross).

The Hospital of St. Cross Sportsmen's Bed Fund came into existence in October, 1923, and during the first few years was operated by a sub-committee of the Hospital Saturday Committee. The scheme—which has for its ultimate object the endowment of a bed in the Hospital of St. Cross—maintains a Hospital bed for the use of any member of a subscribing organisation who may be injured whilst taking part in any sport. The Fund, which has had a remarkably successful history, was founded by Mr. J. Evatt, who has been the Hon. Sec. throughout. The first Chairman was the late Mr. John Carter, J.P. During the first three months of its existence, no less than £52 was raised by the Fund. This modest beginning was but the preliminary to a highly successful financial history. The Fund has increased each year and a bed has been maintained at a cost ranging from £130 to £142 a year. In 1927 an Endowment Account was opened with an arrangement with the Board of Management whereby surplus funds should be handed over to the Hospital and credited towards the sum needed for an endowment. This account now stands at £161 10s. 1d. In the same year the Fund was given the status of an independent organisation working for the Hospital. All kinds of sporting organisations are contributors, and money is also raised by means of concerts, whist drives and dances, and the Sportsmen's Sunday Service. The present Chairman of the Committee is Mr. W. Jones; Mr. T. Bird is Hon. Treasurer; and Mr. J. Evatt Hon. Secretary.

MRS. ADKINS.

The work of the Rugby Association of Hospital Contributors to the “ 1d. in the £ ” Scheme during 1928 was of great importance in consolidating the advance made in extending the scheme in 1927, in making still further advances in the extension of the scheme, and in carrying out the various policies of the Executive Committee, and schemes of publicity and propaganda.

The efforts to extend the scheme resulted in 950 contributors joining the scheme during the year. The total number of firms and voluntary committees registered on 31st December, 1928, was 336, with a total of 11,687 contributors.

The amount raised by the scheme during the year was £5,824 9s. 9d., as compared with £4,489 17s. 10d. in 1927—an increase of £1,334 11s. 11d. The employers contributed £841 to this amount apart from the £500 received from the directors of the B.T.H. Co., which is still shown in the Report under the heading of donations, and the employees contributed £4,983.

The Hospital gave service to 687 contributors or dependents

of contributors as in-patients with a total number of 17,590 days' maintenance, being an average of approximately 25 days' stay per patient. The out-patients under the scheme numbered 1,960, and made approximately 8,700 attendances. The total cost of the service given by the Hospital is estimated at £6,750. For various reasons contributors and their dependents have from time to time had occasion to use other Hospitals, and a sum exceeding £200 has been paid from the scheme to other Hospitals for the services they have given. The number of patients sent from the Hospital for convalescent treatment was 37, and together with those patients sent from firms deducting 15% of their contributions for convalescent and after-care service, cost approximately £300.

POLICIES—PROPAGANDA.

The policy of the Association in the matter of publicity and propaganda work was actively pursued with satisfactory results. Three meetings of Delegates were held during the year, and eleven meetings of the Executive Committee. The Delegates and Voluntary Workers met at a successful social gathering early in the year—and again during the summer months. These efforts were arranged without cost to the “rd. in the £” Scheme.

Two health lectures were held during the winter months and a summer meeting was held at Clifton Court by the kindness of Mrs. Mulliner. Four “News Sheets” were published during the year giving information of interest to contributors. The whole of the non-contributing places of business in the town were circularised early in the year, and a large number were visited by members of the Executive Committee.

SPECIAL EFFORTS.

The special efforts for which the Executive Committee was responsible were attended with conspicuous success. The Collecting Box Sub-Committee succeeded in beating the high record of last year by £6 14s. 10½d. The Rose Day Collection and the Egg Week Collection recorded still greater increases, while the amounts from the Christmas Scheme and the sale of scrap silver paper have remained at the high level reached last year. The contributors are greatly indebted to the Ladies' Committee of the Hospital for their whole-hearted support in the organisation of these and other efforts. Special mention must be made of the large body of Voluntary Collectors, who numbered 80 at the end of the year, for the valuable work they have done in extending the scheme. The collectors in Rugby visited 628 contributors, while those in the villages collected from no less than 1,755 contributors. The warmest thanks of the Association is offered to the Voluntary Collectors, who have in a very large number of cases to make weekly visits for the contributions.

It is gratifying to the Association to note that the increase in

the regular income of the Hospital, due in a great measure to the operation of the "rd. in the £" Scheme, has enabled the Board of Management of the Hospital to embark on schemes of considerable importance that will increase the service of the Hospital for those requiring its help. It may be necessary at this point to remind contributors that, although increased and better service at the Hospital is to the advantage of "rd. in the £" Scheme subscribers and others, yet additional service will have the inevitable result of increasing the cost of maintenance of the Hospital. Those of your Delegates who know the Hospital realise how much remains to be done both in the matter of long-delayed repairs and renewals of fittings and also in necessary improvements. It is, therefore, of the greatest importance that every effort must be made to increase the regular income available from the "rd. in the £" Scheme.

It is not too much to say that the contributions from employers and employees, including amounts from L.M.S. employees, should amount to at least 50% of the ordinary income of the Hospital. The fact that they do not reach this standard indicates, what is already known from other sources, that a considerable number of people in the Hospital area have not yet joined the "rd. in the £" Scheme.

The Association of Contributors actively supports the principle that necessitous people, *i.e.*, the widows and orphans in poor circumstances, the genuinely unemployed and their families, should receive free treatment and free maintenance at the Hospital, but it is realised that a large number of patients were treated last year who were not in poor circumstances, and who did not contribute to the "rd. in the £" Scheme, nor to any other workpeople's scheme.

The Association expects every wage earner in regular employment to contribute to the "rd. in the £" Fund. People using the Hospital, who are not *bona-fide* necessitous cases, must be prepared to pay the costs incurred in maintenance if they are not contributors to the "rd. in the £" Fund. Non-contributing firms with Hospital Funds will be asked to pay the full cost of maintenance from their funds on behalf of their contributing employees and their dependents.

There is a great need for more Voluntary Workers in the villages to act as collectors for the "rd. in the £" Scheme, and to receive contributions from individual contributors, who are unable to subscribe through a place of employment.

Our task in 1929 is to enrol at least 500 additional subscribers to the "rd. in the £" Scheme.

(Signed) S. J. WOOLMER,

Chairman of the Executive Committee

13th February, 1929.

The Arthur James Out-Patient Department.

A Plan of the Ground Floor showing the arrangement of rooms in the Department.

The Foundation Stone was laid on September 6th, 1928, by Mrs. Arthur James.

4,068 Out-Patients came to the Hospital in 1928,
making **25,000** Attendances.

888 Accident Cases were treated.

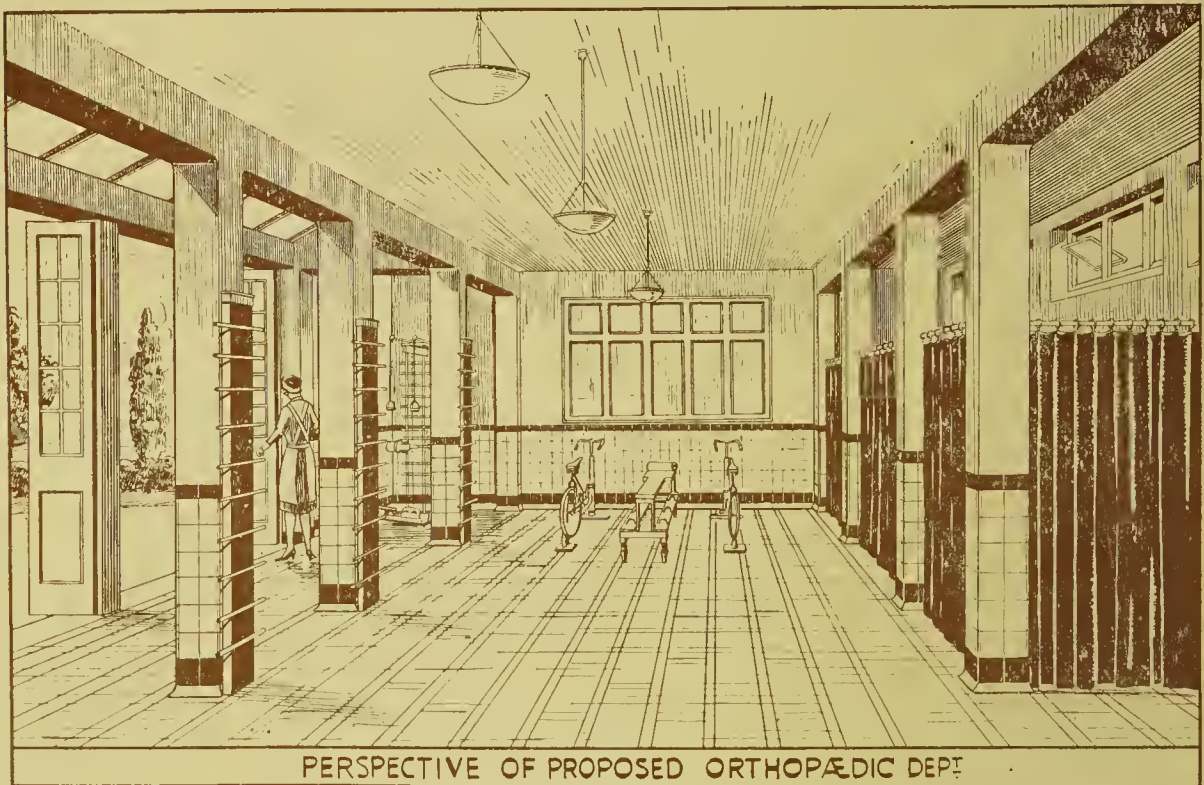

84 Motor Accident Cases were admitted
as In-Patients.

The New Out-Patient Department with its Casualty Wards will do much to relieve the present congestion in the older part of the Hospital.

YOUR CONTINUED SUPPORT of the Hospital is essential if the service of the Hospital is to be increased and made more efficient

THE TASK for 1929.

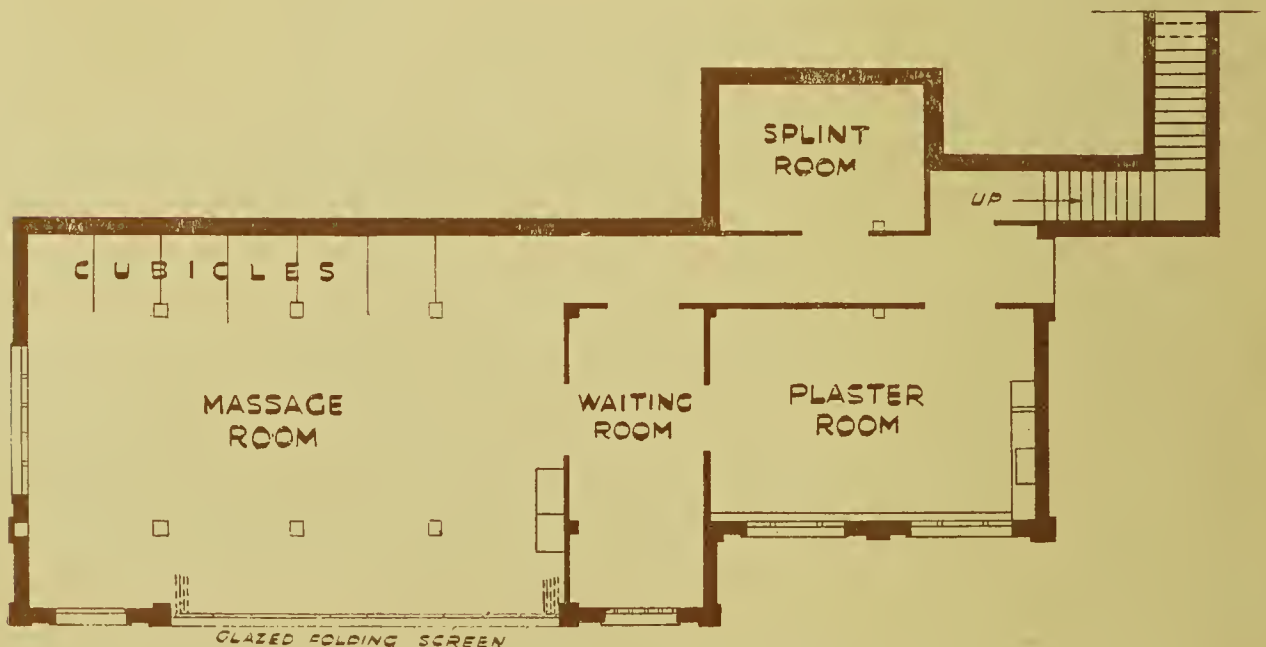

To complete and pay for a New Orthopædic Department for the treatment of Crippled Children and other Crippled People. The cost of completing this Department will be approximately £2,000.

THE RUGBY FROTHBLOWERS have raised - - £500
towards Building this department.

THE SPECIAL CHILDRENS FUND has raised over - £500
towards the Building.

The Board of Management of the Hospital is left to find £1000

GROUND PLAN

Please give your enthusiastic support to all special efforts organised by friends of the Hospital to complete — **THE TASK FOR 1929.**

EXTRACTS FROM THE TRUST DEED.

As to the original endowment of £10,000.

The said sum £10,000 shall be invested on such security and in such manner as shall be approved by the Trustees for the time being in their absolute discretion. The income arising from such investment or investments for the time being shall from time to time as it accrues due be applied to or for any of the following purposes :—

(1) To indemnify the Trustees against any costs or expenses incurred by them through or by reason of the non-observance or non-performance of the covenants and agreements contained in a certain Indenture dated 28th May, 1868.

(2) To insure against loss or damage by fire the Hospital premises, furniture, and effects.

(3) To well and sufficiently repair, maintain and keep the Hospital premises in good and substantial and decorative repair and condition.

(4) To keep and preserve in a proper style and order the lands, gardens, roads, walks, fences, and walls belonging to and surrounding the Hospital.

(5) To keep the Hospital premises supplied with such furniture and articles of general use as are suitable and requisite for a Hospital.

Any surplus income in the current year after providing for such payment as aforesaid, and any income in the current year not required for such last-mentioned purposes shall be applied for any uses whatever for the benefit of, and towards the current expenses of, the Hospital.

Extract from Scheme as to Trustees.

The Body of Trustees shall when complete consist of eight competent persons, being Three Ex-Officio Trustees and five Non-Official Trustees. The Ex-Officio Trustees shall be the Rector of the Parish of Rugby St. Andrew, the Headmaster of Rugby School, and the Vicar of Rugby St. Matthew for the time being respectively.

Future Non-Official Trustees shall be persons residing or carrying on business in or near Rugby. Every future Non-Official Trustee shall be appointed for a term of five years by a resolution to be passed at a meeting of the Trustees and of Subscribers to the Funds of the Charity.
